

TELEPHONE SERVICE CONTRACTS FOR COMPUTER SUPPORT

Having trouble with your computer? Are you stuck trying to figure out why that program won't behave as it should? Many computer questions and problems can be solved over the telephone — if you get the right person at the other end of the call.

BUY ONE OF OUR TELEPHONE SUPPORT PLANS

Clear-Cut Computing has been very successful solving problems over the telephone. Whether it's a problem with the computer or a question such as "how to setup page numbers in Microsoft Word" — our success rate is high.

There are many ways to use our support:

- Software questions
- Troubleshooting problems
- Computer purchase advice
- Transmit files for repair

Our software expertise includes:

- Word
- Excel
- PowerPoint
- Access
- Publisher
- Windows
- Internet Explorer
- Outlook
- Outlook Express
- QuickBooks
- And many more...

Purchase one of the plans below and use your time anytime!

Time Block	Per Min.	Price
3 Hr Block	\$1.17	\$195
5 Hr Block	\$1.00	\$300
10 Hr Block	\$0.83	\$500

What you get:

- Telephone time to answer your computer questions.
- Help with most computer tasks (that can be done without a site visit)
- If not immediately available we usually callback within 24 hours
- Weekend and after hours support is available (advance scheduling required)
- Priority response to e-mails
- Remote support included at no extra charge through our safe, secure remote access via the web.
- Direct access to cell phone number
- Ability to transfer files to us for problem solving.

Look at the savings when you compare a "3 Hr Block" to an on-site visit:

	On-Site Visit @ \$125/hr	Telephone Support Plan
3 Hours	\$375	\$195
Service call fee	\$65	
TOTAL	\$440	\$195
Savings		\$245!!!

Now you'll have that computer expert to call upon!
